The Quantarctica package is published under a [Creative Commons Attribution 4.0 International License](https://creativecommons.org/licenses/by/4.0/).

In published works produced using Quantarctica, you are required to cite each dataset that was used in the work. Quantarctica provides all dataset citation information in each layer's Metadata tab in QGIS, in a text file in the data folder, and in the online Quantarctica Data Catalog.

Individual files may have different licenses, terms of use, and attribution requirements.

Please consult the each layer's Metadata tab in the QGIS layer properties or the online Quantarctica Data Catalog for the licenses, terms, and disclaimers for each dataset.

All geographic names in Quantarctica are provided by the original datasets.

Contact the data authors for further clarification if necessary.

Attribution

You are required to acknowledge or cite Quantarctica and the Norwegian Polar Institute in your work.
